

§ 280.32

34 CFR Ch. II (7–1–09 Edition)

(1) Includes methods that are appropriate for the project;

(2) Will determine how successful the project is in meeting its intended outcomes, including its goals for desegregating its students and increasing student achievement; and

(3) Includes methods that are objective and that will produce data that are quantifiable.

(f) *Commitment and capacity.* (1) The Secretary reviews each application to determine whether the applicant is likely to continue the magnet school activities after assistance under this part is no longer available.

(2) The Secretary determines the extent to which the applicant—

(i) Is committed to the magnet schools project; and

(ii) Has identified other resources to continue support for the magnet school activities when assistance under this program is no longer available.

(Approved by the Office of Management and Budget under control number 1855–0011)

§ 280.32 How is priority given to applicants?

(a) *How priority is given.* In addition to the points awarded under § 280.31, the Secretary gives priority to the factors listed in paragraphs (b) through (d) of this section by awarding additional points for these factors. The Secretary indicates in the application notice published in the FEDERAL REGISTER how these additional points will be distributed.

(b) *Need for assistance.* The Secretary evaluates the applicant's need for assistance under this part, by considering—

(1) The costs of fully implementing the magnet schools project as proposed;

(2) The resources available to the applicant to carry out the project if funds under the program were not provided;

(3) The extent to which the costs of the project exceed the applicant's resources; and

(4) The difficulty of effectively carrying out the approved plan and the project for which assistance is sought,

including consideration of how the design of the magnet school project—e.g., the type of program proposed, the location of the magnet school within the LEA—impacts on the applicant's ability to successfully carry out the approved plan.

(c) *New or revised magnet schools projects.* The Secretary determines the extent to which the applicant proposes to carry out new magnet schools projects or significantly revise existing magnet schools projects.

(d) *Selection of students.* The Secretary determines the extent to which the applicant proposes to select students to attend magnet schools by methods such as lottery, rather than through academic examination.

§ 280.33 How does the Secretary select applications for new grants with funds appropriated in excess of \$75 million?

(a) In selecting among applicants for funds appropriated for this program in excess of \$75 million, the Secretary first identifies those remaining applicants that did not receive funds under this program in the last fiscal year of the previous funding cycle.

(b) The Secretary then awards ten additional points to each applicant identified under paragraph (a) of this section.

Subpart E—What Conditions Must Be Met by a Grantee?

§ 280.40 What costs are allowable?

An LEA or consortium of LEAs may use funds received under this part for the following activities:

(a) Planning and promotional activities directly related to the development, expansion, continuation, or enhancement of academic programs and services offered at magnet schools, though planning activities are subject to the restrictions in § 280.41(a) and do

not include activities described under paragraph (f) of this section.

(b) The acquisition of books, materials, and equipment (including computers) and the maintenance and operation of materials, equipment and computers. Any books, materials or equipment purchased with grant funds must be:

(1) Necessary for the conduct of programs in magnet schools; and

(2) Directly related to improving student academic achievement based on the State's challenging academic content standards and student academic achievement standards or directly related to improving student reading skills or knowledge of mathematics, science, history, geography, English, foreign languages, art, or music, or to improving vocational, technological, or professional skills.

(c) The payment or subsidization of the compensation of elementary and secondary school teachers:

(1) Who are highly qualified;

(2) Who are necessary to conduct programs in magnet schools; and

(3) Whose employment is directly related to improving student academic achievement based on the State's challenging academic content standards and student academic achievement standards or directly related to improving student reading skills or knowledge of mathematics, science, history, geography, English, foreign languages, art, or music, or to improving vocational, technological, or professional skills.

(d) The payment or subsidization of the compensation of instructional staff, where applicable, who satisfy the requirements of paragraphs (c)(2) and (3) of this section.

(e) With respect to a magnet school program offered to less than the entire school population, for instructional activities that—

(1) Are designed to make available the special curriculum of the magnet school program to students enrolled in the school, but not in the magnet school program; and

(2) Further the purposes of the program.

(f) Activities, which may include professional development, that will build the recipient's capacity to operate

magnet school programs once the grant period has ended.

(g) Activities to enable the LEA or consortium of LEAs to have more flexibility in the administration of a magnet school program in order to serve students attending a school who are not enrolled in a magnet school program.

(h) Activities to enable the LEA or consortium of LEAs to have flexibility in designing magnet schools for students in all grades.

§ 280.41 What are the limitations on allowable costs?

An LEA or consortium of LEAs that receives assistance under this part may not—

(a) Expend for planning more than 50 percent of the funds received for the first fiscal year, and 15 percent of the funds received for the second or the third fiscal year;

(b) Use funds for transportation; or

(c) Use funds for any activity that does not augment academic improvement.
